RE: *Open Records Request – Dated August 8, 2019 for records related to Ring and possible Promotional Discount Agreements (see attached request)*

Dear Ms. Haskins:

Your public records request will be granted subject to redaction as described below:

- a. Pursuant to Wis. Stat. § 19.35(1)(a) In balancing the interests of the public's right to receive such information and the subject's right to privacy and possible adverse effects on the subject's reputation, privacy, or safety, the rights of the subjects outweigh the public interests with respect to various records you have requested. Accordingly, the personal information on the Ring Surveillance Camera Agreements has been redacted, along with a code provided by RING for Green Bay Police employees to utilize if purchasing a RING product and a pin number used for meeting.
- b. The names, email addresses, and other contact information of Ring employees have been redacted pursuant to *Kraemer Brothers v. Dane County* 229 Wis. 2d 86. Privacy interests of employees of private companies contracting with a public entity outweigh the public interest in disclosure.

The determination not to release certain records is subject to review by mandamus under Wis. Stat. §19.37(1) or upon application to the Attorney General or District Attorney.

Thank you for your cooperation in this matter.

Respectfully,

A handwritten signature in black ink that reads "Lisa M. Wachowski".
